### **Plumbers invited to industry night**

Licensed plumbers and plumbing apprentices in the south metropolitan area will have the opportunity next week to attend a technical night offered by the Plumbers Licensing Board.

The forum will be held at the Willow Pond Reception Centre, 459 Nicholson Road, Canning Vale, between 6.30-8.30pm on Thursday August 13. Doors open at 6:15pm.

All currently licensed plumbers in the area have been invited to attend the meeting which will be hosted by the Board's Executive Officer and attended by several of the members of the Plumbers Licensing Board.

The Board's Senior Compliance Officer will provide updates on plumbing work standards, advise on the Board's Technical Notes series and give plumbers the chance to ask questions on current technical topics confronting the trade.

Other topics that will also be covered during the night will include the Board's regulatory role, the new Building Commission, the work of the Plumbing Industry Reference Group (PIRG) and compliance issues.

Any other licensed plumber or apprentice interested in attending this forum can register by phoning the Board on 9282 4376, or by sending the form on the website [www.plumbers.wa.gov.au](http://www.plumbers.wa.gov.au) to the Board.

The Board will conduct similar sessions later in the year for licensed plumbers based in the South West and in the north metropolitan area.

Ends
